- Now it's time to establish your security information. It is important to fill in all the information on this screen. For best security:
 - Choose a password that is easy for you to remember, but difficult for a stranger to guess. We recommend choosing a password that is at least 8 characters long and contains a mix of:
 - lower-case letters: abcd...
 - upper-case letters: ABCD...
 - numeric characters: 1234...
 - non-alphanumeric characters: !@#\$<,"...
 - Choose security questions that you will remember. You will be required to answer these whenever you wish to make changes to your account.
- You must check the box at the end of the screen to verify that you have read and agreed to the legal agreement. Clicking on the link will enable you to download a copy to your computer.
- Click **Confirm** to continue with your registration.

Setting Up a Bank Account

Your Pay Portal is a repository for funds earned through a corporate. As a Member, you have the option of transferring these funds to a bank account as part of the "cashout" process. In order to do this, you must first add a bank account transfer method to your account.

All transfers take place in the Transfer Center area of the Pay Portal. To access the Transfer Center, click on either **Transfer Funds** or **Transfer**.

- You will be asked to provide your bank account information. A check will have all the information you need to set up the account.
 - It's important to double check your numbers. If you enter an incorrect routing or bank account number, it can take seven days or more for those funds to go out, realize the number is incorrect and return to your Pay Portal. To avoid the frustration and inconvenience, take the time check your numbers.

• The **From:** field will be auto populated with the prepaid card account.

*Note: The To: dropdown menu may be disabled. This is because there is only one transfer method available (your Pay Portal Wallet). This field will be enabled once additional transfer methods are activated (e.g. a bank account). If the field is enabled, select where you would like to transfer funds to.

Transferring Funds to a Bank Account

The Pay Portal makes it easy to transfer funds to a bank account. To do this you must first add a bank account as a Transfer Method in the Pay Portal Transfer Center.

Please review the **Setting Up a Bank Account** instructions prior to initiating your first bank transfer.

All transfers take place in the Transfer Center area of the Pay Portal. To access the Transfer Center, click on either **Transfer Funds** or **Transfer**.
